Food Hygiene & Safety

100% Online | Self-paced | Open enrolment all year round

1 COURSE OVERVIEW

A practical online course for anyone who handles, prepares, serves or works around food. Builds the core knowledge needed to keep food safe and meet UK food hygiene standards.

The course covers:

- Food safety law and your responsibilities as a food handler
- Microbial, allergenic, physical and chemical hazards
- Personal hygiene and protective clothing for food handlers
- Cleaning, sanitising and waste management in food areas

2 WHO IS THIS FOR?

- Restaurant, café, takeaway and catering staff
- Hospitality, hotel and event catering teams
- School kitchen, healthcare and care home staff
- Retail food, deli and supermarket workers
- Food production, packaging and delivery staff
- New starters needing food safety induction training
- Anyone handling food as part of their job role

3 HOW YOU'RE ASSESSED

- 100% online, no classroom attendance required
- Multiple-choice end-of-course assessment
- Pass mark: 70%
- Unlimited free retakes if you don't pass first time
- Tutor support available by email throughout your studies
- Instant results once submitted

4 CERTIFICATION

- Digital CPD certificate issued on successful completion
- CPD-recognised certificate with verifiable certificate ID
- Hard-copy certificate available on request (postage applies)
- Certificate has no expiry, refresh recommended every 3 years
- Counts towards CPD records for HR, audits and food safety compliance
